ON PETITION

This is a decision in response to the petition, filed October 9, 2012, to accept the unintentionally delayed payment of a maintenance fee for the above-identified patent under the provisions of 37 CFR 1.378(c).

The petition is **GRANTED**.

This patent expired on March 21, 2012 for failure to pay the third maintenance fee. Since this petition was submitted within twenty-four months after the six-month grace period provided in 37 CFR 1.362(e), the petition is timely filed under the provisions of 37 CFR 1.378(c).

The petition is not signed by a registered patent attorney or agent of record. However, in accordance with 37 CFR 1.34, the signature of Mark Rogers appearing on the correspondence shall constitute a representation to the United States Patent and Trademark Office that he is authorized to represent the particular party on whose behalf he acts. A courtesy copy of this decision is being mailed to the petitioner herein; however, all future correspondence regarding this patent will be directed solely to the above-noted correspondence address of record.

A petition to accept the unintentionally delayed payment of a maintenance fee under 35 U.S.C. 41(c) and 37 CFR 1.378(c) must be accompanied by: (1) a statement that the delay was unintentional; (2) payment of the appropriate maintenance fee, unless previously submitted; and (3) payment of the surcharge set forth in 37 CFR 1.20(i)(2).

It is not apparent whether the person signing the statement of unintentional delay was in a position to have firsthand or direct knowledge of the facts and circumstances of the delay at issue. Nonetheless, such statement is being treated as having been made as the result of a reasonable inquiry into the facts and circumstances of such delay. In the event that such an inquiry has not been made, petitioner must make such an inquiry. If such inquiry results in the discovery that the delay in paying the maintenance fee under 37 CFR 1.378(c) was intentional, petitioner must notify the Office. Receipt is acknowledged of the requisite maintenance fee and surcharge.

In view of the above, the 11 ½ year maintenance fee in this case is hereby accepted and the above-identified patent is reinstated as of the mail date of this decision.

Telephone inquiries concerning this matter may be directed to the undersigned at (571) 272-3204.
